“ *Im very sorry for the death of your loved one I would like to share with you a text of the Bible found in John 5: 28,29 where Jehovah God promises that we will see our loved ones who have died for they will be resurrected. A beautiful promise for those of us who have lost relatives in death. I hope the text helps them and accompany them in their pain.*

“ *On behalf of the Covingtons and Yonkers we want to send our condolences to the Dublin family. My name is Warren and when the Bronx came to Yonkers my life changed forever. They took me in and we raised each other. Mrs. Dublin taught me to be a man and Mr. Dublin raised me to be a man. My father died when I was young and Mr. Dublin came into my life when I needed him the most. To be with the family was like being with most popular in the city. Mr.Dublin was my hero .Fearless, Respected, and Honorable*
