“ My memory of Mima inviting us into her home and cooking us an authentic Cuban meal a few years ago in Florida is one of my favorites. She was one generous and loving woman. My heart goes out to the Alfonsos today as they lay their mother to rest. Prayers and comfort to you all knowing your Godly mother is with her maker now and all those who went before her. I know she is so happy to be reunited with her mother and father and her loving husband and sweet Joey❤️

“ I will never forget Mima and how she opened her home to us and fed us the most wonderful authentic Cuban meal during our stop in Florida several years ago. I am so happy I was able to see her not long ago and have one of our "special" conversations. Prayers and strength today as you lay your mother to rest. She is now healthy, happy and reunited with all her loved ones. What a glorious day it is! With all my love-
Robbie and family 🙏💕
