

Esta D. Audino

July 8, 1936 - May 24, 2021

On the morning of May 24, 2021, Onesta “Esta” Audino, a resident of Somerby Lake Nona and formerly of Melbourne, Florida – earned her wings as our guardian angel. Our loving grandparents Antonio and Yolanda DiSandro brought Esta into the world in 1936.

Born in a predominantly Italian community in Providence Rhode Island, she was sister to older brother Emidio and younger sister Anna. On May 31, 1958, Esta began a wonderful 59 year marriage to Carl Audino. Through her unlimited love as wife, mother and grandmother, Esta showed that those titles were the most important of all. Her last message on this earth was that she loves all her grandchildren.

Esta is preceded in death by her parents, her brother and her husband Carl. She is survived by her sister Anna DiPetrillo of Narraganett, RI, son Steven (Kory) of Lake Nona, FL, her daughter Michelle of Phoenix, AZ, and her son Ernie (Marie) of Port Orange, FL. She is survived by her grandchildren Julia, Dominic, Nicholas and Francesca.

When cleaning her apartment, a small card with the following was found all by itself... I am writing to say how much I care for you and to say how much I want you to know me better. When you awoke this morning, I exploded a brilliant sunrise through your window hoping to get your attention, but you

rushed off without even noticing. Later, I noticed you were walking with some friends, so I bathed you in warm sunshine and perfumed the air with nature's sweet scent, and still, you didn't notice me. As you passed by, I shouted to you in a thunderstorm and painted a beautiful rainbow in the sky and you didn't even look. In the evening, I spilled moonlight onto your face and sent a cool breeze to rest you. As you slept, I watched over you and shared your thoughts, but you were unaware that I was so near. I have chosen you and hope you will talk to me soon. Until then I will remain near. I am your friend and love you very much, Jesus.

You two faced pos - remember your letter dated 8/12/84 where you wrote "I seriously doubt if you or your wife would have done anything at all for me..You and your wife are very selfish and one way you both don't know how to give."

Take your fake tears and shove them!
