“ *Jamie and Vicki and the rest of the Carman family- it's hard to believe 2 years have passed so quickly- I did not get to know Ethan for very long but he always had a smile on his face and was always willing to help , I know him and Pick Poole are fooling around and making everyone laugh up in heaven! God bless!*

“ *Some people fade into the background of our lives, some disappear all together.*

*Then there are some that no matter how much time passes, when you see their face you know that friendship and that love is always there.*

*That was Ethan.*

*It is heartbreaking and eye opening when someone from your childhood passes away. Time is ridiculously precious and you never know when your last goodbye will be your final one.*

*All you can do is love.*

*And remember.*

“ Thinking of Ethan makes me smile he was a good friend and a ray of sunshine. Saying he will be missed doesnt seem enough. Ethan was goin to be in our wedding and still will be as there is no way to replace a friend as precious as him. Dave and I love Ethan and pray that his family can find peace in knowing how he touched so many in the short time we were honored to have him with us.
