“ I've been searching for words to say about one of the most beautiful, hard working, dedicated woman, I've been blessed to know, and honestly I couldnt find the "right" words to say to even come close to how great she is, until today. It breaks my heart to have lost a dear friend and even though we don't share the same blood line, a true family member. 20 some odd years wasnt long enough for me. There is a brand new angel in heavin now, and God knows shes smiling down on all of us today. She'll forever be a torch guiding us along our darkest paths. Thank you Jackie for being a part of my life. I love you always.

“ *" The Coolest Chick I Know " I was Honored & Privledged to have shared time with such an Amazing & Remarkable Women. Although I didn't have as many years as most of you have had with her, it was enough to know I was BLESSED to have had her in my life. It is from my Marriage to her Nephew Bob Thornley that I had the opportunity to be a part of such a Wonderful Womans life. From the Stories she & Bob shared with me, there is no Doubt they were Close. Even though I was not Bobs 1st Wife, she Welcomed me into Her Family Unconditionally. As most of you know that could not have been easy considering Bobs last Marriage. She always made me feel Loved & not once did she ever make me feel like an outsider. Even throughout the times in the past year that she was in & out of care facilities & with her short stints at home, she still tried to help & be there for others. That was who she was. I with all my Heart believe that is what she always tried to do, unfortunately her body would no longer allow her to do what she Loved to do. Now that she is with God, her Father. She is able to do what she Loves to do. Aunt Jackie my Prayer for you is that Every Angel Knows your name & Serves not only by Gods, but by your example as well. I Love You! You are my Angel!*

“ *This lovely lady was my neighbor for nearly 27 years. I grew up with her son, Sam so they have become family to us threw the years. My fondest memories would have to be how she loved to bake and in the afternoons she would come out to the back fence with cookies or cakes or something extremely fattening and give it to us. We would sit and talk for an hour without even realizing how the time passed. God bless you, Jackie. I will miss you dearly. Forever loved and in our hearts.*

Jackie was a close friend for over 25 years . We worked very closely at the Orange County Health Department. I must have spent more time with Jackie than my own family .She was always the first one to help a client or an employee. We dinners for the staff and others. Jackie had a loving heart. Jackie belonged to the First Baptist Church of Pine Castle ,which was her Christian home. I just want to say that Jackie was determined to care for her husband Wayne and son Sam. She will be missed here on earth, but I know Jackie is in the loving care of Jesus and waiting for the rest of her friends and family. God Bless Love you Jackie. Save a place for me .

Jackie was an amazing woman. Always had a kind word to say. I will always remember when she would let her puppy Boots out and they both would look to see if my son was out. As my son and her puppy ran back and forth along side the gate she would talk with me. She always made me feel like a family member. I will miss her. God Bless her and her family.
