“ *I appreciate Sister Bellamy taking me under her wings and teaching me how to cook when I was a newly wed... I learned a lot from her spiritually on research from the Aid to Bible Understanding book... and when I was very sick, she made me a supply of juices to help with my immune system. If I wrote everything I appreciated about my dear Eula it would be a very thick book... I look forward to her awakening in the New World to Come... Frances Greene and family...*
