

Felicia Clare Waters

October 27, 1963 - May 31, 2015

Felicia C. Waters, 51, of Orlando, FL, formerly of the Bronx, New York, beloved daughter of Phyllis and James Waters, passed away on Sunday, May 31, 2015.

Felicia is survived by her loving daughter, Chloe Madison Laudenslager, life time friend and soul-mate Charlie Kopyless, Aunt Grace Girolamo, Sheila Lopez and family, Jasmine Tawfik Duvnjak, Vicky Jacobson, Jeremy Jay Wood, good friends Jeannine Di Carlo Muratore and Anne Marie Papanagnostou and many others.

Also dear to Felicia's heart was the late Lenny Laudenslager, Debbie Laudenslager, Shaun Laudenslager, Sarah Cedar, Lexi Bender, Aunt Cathy Kirk, and the entire Laudenslager family.

Felicia grew up in the Bronx and went to the Academy of Mount Saint Ursula High School, where she excelled in music, chorus and performing arts. Felicia had a genuine love of music which led to her most recent career as a Contributor with Four Culture Magazine, where she hosted a weekly radio program: Two Pieces & A Biscuit, and also interviewed and wrote articles about up and coming indie bands and musicians. Felicia also loved The New York Rangers and the New York Mets. While she was always a proud New Yorker at heart, she had a special love for Seattle, Washington.

Felicia's greatest joy of all came in 2001 when her beautiful daughter Chloe Madison was born. For Felicia, becoming a mother was the most important blessing in her life. In her own words, Chloe "was her universe."

Chloe treasures the very special relationship that she had with her Mom Felicia, and fondly recalls cooking and baking with her Mom, along with an appreciation for fine cuisine and entertaining. Felicia also ignited a passion in Chloe to express herself in every way, including hair color, make-up, as well as supporting her singing, drawing and overall love of the performing arts. Past memories for Chloe include the many special birthday parties and holiday celebrations – particularly, Halloween – Felicia's most favorite holiday! And her most recent fun memory is of the great time that they had at the 2015 MegaCon!

Felicia had an incredible love for entertaining her family and friends. She was one of the most amazing hostesses as evidenced in the smallest of details to the fabulous meals which were always prepared from scratch with much love. She made everyone feel welcome and it was a true honor to have been invited to any of her special gatherings. Felicia passed on this love of cooking and entertaining to Chloe, who has inherited these special talents that come from many generations of home cooked Italian food.

The qualities that all of us will remember the most about Felicia were her awesome sense of humor, her genuine, selfless warmth and love of people, her way of making all of us feel welcome and at home.

We will forever remember and cherish the life of our dear, beloved Felicia. She leaves us with a lasting legacy of LOVE, friendship, and wonderful memories. As Felicia joins her mom and dad in heaven, we know she is smiling down upon us, forever watching over her beloved Chloe.

We will miss her and love her always.

In lieu of flowers, the "CHLOE MADISON LAUDENSLAGER DONATION ACCOUNT" has been established for Felicia's 14-year old daughter Chloe. All donations to this account will benefit Chloe's future educational needs. In Felicia's own words, "Chloe is my universe." This fund is intended to carry on Felicia's hopes for her daughter. “ Since day 1 she told me to call her Mama. And since day 1 she has acted like a mama towards me. She is and always will remain in my heart. I love her so much. I first was introduced to Chloe and I just couldn't understand why a girl her age was so confident. I wasn't at that age. Then I met mama. A strong, beautiful , and confident woman.

“ A funny one so we can smile. Right after shaun and felicia moved to new York she took Chloe to the doctors for "wobbly head". It wouldn't stay up. Typical of infants but felicia didn't know that. She always wanted the best for Chloe and she was certain there was a problem that needed fixed. So many more. I am so grieved by her passing.

I admired Felicia's self expression. Her hair spoke for sure. I first met her shortly after Chloe was born and for years felt a bond. Hard to explain. My love and prayers are with Chloe as she faces this time and future without Felicia. Also to the rest of the family love and peace now and in the time to come

Felicia will always be in my heart! She was more than a friend to me she was my angel on earth! She was a rare person selfless, kind, generous and full of life! Her laughter filled the room with love! She was and will always be the greatest person I have ever met! I am so glad I met her in 1983 my life would not be so full if I didn't!
