“ Descanse em paz e que Deus ilumine seus caminhos junto dele e dê forças aos entes e amigos que ficam.  
Sentiremos muito sua falta e guardaremos pra sempre na memória seu sorriso e no coração sua ternura.  
Vá com Deus!

“ I taught Fernanda voice and that is where the friendship began. I instantly loved her and her whole family. Grace became like an adopted granddaughter to me. I will miss her smile, her warm hugs, her thoughtfulness, her emails, her giving spirit. I will miss watching her worship as she lifted her praise to the Lord. My heart aches for the loneliness and void that has been left. I look with anticipation the joyful reunion we will have. Heaven has become a little seeeter.

*You sweet lady taught me a lot about your culture, Brazilian hand made gifts, your language and had good laughs over my poor portuguese:-) these are gifts I will have until The Lord calls me home. You did all these things with no expectations, but you know me that is what we had in common. "giving" You never failed to send me frequent messages with gratitude for just caring, loving and praying for you. As you said God put us together. What an honor to be called your American mom. I know how much you loved and missed your mom and it was my pleasure & honor to embrace you with love and prayer as a mother would. Since I didn't see you Sunday nor Wednesday; I am still carrying around a gift for you in my car. "just because" I think your mom will appreciate it. I am sending it to her. Just a little piece of me going with you. Ama-te filha, agradeço a Deus pela oportunidade de te conhecer uma pequena parte da tua jornada. Deus é bom. Obrigada!!!!!!*

*You are gone forever and all those who love you no longer have the privilege of your company. You remain present through the love you left in the hearts of those who loved you. In my memory you will be eternally present! May God comfort the heart of your family. Laura Melilli*
