

Florentina Q Negrin

June 20, 1956 - September 5, 2025

Florentina “Tina” Negrin, age 69, of Orlando, Florida, passed away Friday morning, September 5, 2025, at Orlando Regional Medical Center. She was born June 20, 1956, in Cebu City, Philippines, a daughter of the late Luis and Elsa Soon. Tina came to America in 1987 to fulfill her American dream, she worked as an Accounting Manager in an investment firm in Manhattan, New York. She retired in 2022, moved from NY and settled in Orlando, FL. Tina found joy in taking care of her grandson, preparing meals and finding loving gifts to celebrate seasons, birthdays, holidays and any special event. Family gatherings for holidays and special occasions delighted her. She was a devoted mother, the best sister one could ever have, a wonderful aunt, a very religious, generous and giving person. She will be missed by family and friends. To her family, Tina was more than a mother, grandmother, sister, aunt, or mother-in-law she was true mother figure, offering guidance, comfort, and unconditional love.

Her deepest concern was always for her son, ensuring he never struggled or carried too much alone. She gave selflessly. She had a gift for easing burdens and making life feel lighter for those she loved. Tina always put others first, making sure everyone was comfortable and cared for. She gave good advice, explained things with patience, and often lifted spirits with her own humor, creating laughter even in difficult times. Fiercely independent and strong, she faced life challenges with resilience and grace.

Tina is survived by son Omar Angel Negrin, daughter-in-law Lisa Ayala Negrin and grandson

Soren Angel Negrin. Her memory lives on with sisters, Lusille, Maria Epie, Sheila and Luel;

niece, Aurel Marie, nephews; Glen Myhr, BJ, Gerard and Darren Matthew.

She will also be

forever cherished and remembered by her brothers-in-law; Joseph Lorenzo, Alberto and Jan.

A memorial service will take place on Saturday, September 20, 2025 at 1:00pm, at St. Joseph's

Catholic Church, 1501 N. Alafaya Trail, Orlando, FL 32828.

The family wishes to extend their deepest gratitude to all who surrounded Tina with love,

kindness, and support during her courageous battle with cancer. Your prayers, visits,

messages, and care brought comfort and strength to Tina and us, and we will always hold that

generosity close to our hearts. Your love was a reflection of God's grace, and it gave Tina and

our family great comfort.

Hi, I worked closely with your mom at Ripplewood. She spoke so highly of you and I'm so saddened to hear of her passing. She was such a beautiful lady, too kind for this world. I am so happy she was able to see you start i your family. She loved you so much and was so proud of you. I'm so happy to have such fond memories that include her. I've missed her so much and wished we could have reconnected sooner. Please send my love to your aunt and Joe. May your beautiful mother always watch over you and God Bless. With love, Adrienne Stabilito

“ *As an aunt who lives miles away from us as we were growing up, Mommy Ging has never failed in making us feel that she was far away.*

She puts always thinks of other people before herself.

Although I'm the blackest of all sheep , she never lost hope for me to change. To become better in life, to care of my brothers, in spite of losing our mom.

It is sad to see her pass away. But I guess it is for the best. Rest well mommy ging , your suffering has ended.

May you be happy together with Mama and Mommy in heaven.

Though I may not have pictures of us together, but you will always be in my heart. as an Aunt and as our second mom. May your soul rest in peace

“ Let me tell you who Mommy Ging is through the eyes and words of her favorite niece (note: I’m her only niece lol)

Although I she’s my Aunt, I was also able to witness and see how loving and caring she is as a sister, a mother and a grandmother.

As an aunt who lives miles away from us as we were growing up, Mommy Ging has never failed in making us feel that she was far away. The love she has for me and the entire family was so incredible that it felt like New York (and Florida) was close by.

Growing up, I’ve never felt her absence because she was always there. From my first days of school to my first day of work. She called me a princess from the day that I was born up until the day that I turned 30.

Mommy Ging was always there even when Facetime calls didn’t exist and international calls were limited, the love and care she had for us never felt distant.

If I was to describe her love, it always feels like getting a warm tight hug after a long day. Comforting. Just like home.

Honestly, there’s so much to share about how amazing Mommy Ging is.

She’s strong, it amazes me how strong she was when battling cancer. Even up to her last few hours, she held on and made sure that she was able to talk to everyone and tell her how much she loved us. Mommy Ging made sure that we were also able to tell her how much we love her and how grateful we are of her love and care for the family. She made sure to tell us that she felt our love all the way from Cebu despite the distance.

Some of the last few words she said were “God knows, how much I love you all.”

God knows how thankful I am that not only was I able to witness

how beautiful and selfless your love is but also feel and experience it, Mommy Ging.

I'll never get tired of saying how much we love you. Thank you for teaching us how to love.

We already miss you so much, Mommy Ging. God knows how much we love you.
