“ Aunt Franny, you were truly an extrovert! Always smiling, laughing, hollering and cussing us out! Lol No matter where you were, your presence commanded attention! Strong willed and uninhibited, you did things YOUR WAY! And for that I always admired you. Just the mention of your name makes me laugh and smile because you were always honest and unapologetic. You're the only person I know that could yell at someone one minute, and then be ready to tear the city up for them the next lol I found this picture of you and it made me happy and sad at the same time. I miss you both terribly, but I'm at peace knowing that you're up there with grandmom (laughing at the madness lol) Watch over us and comfort my cousins, lords know there's a little bit of you're wittiness in all of them lol You may be gone in the flesh but your memory will always live on 🙏💔🙏 I love you and Rest in Peace 🙏
