“ *Mami the amo mas que tu sabes ❤️❤️ Even though I know I put you through a lot no matter what you showed love endlessly. And not only to me but to everyone around you no matter the situation you were always there for EVERYONE and no one can say any different. You held this whole entire family together. You were supposed to outlive all of us because of how great of a woman you were. I just want to talk to you and tell you soooo much and tell you I love you more and more times. I didn't get enough times to tell you. Just know that I'll never forget you and never stop thinking about you mi reina 🙏💕*

“ *Mom I miss you so much. Regret not telling you more often how much I love you. Times I sit here and want to tell you things about the day and remember you're not here.*
