“*Mr. Frank will be sorely missed in the neighborhood. I've lived across the street from Mr. Frank for almost 30 years and he was always out in his yard doing something. He was very kind hearted and will give you almost anything you asked for without hesitation. We're going to miss the Christmas lights that he would put up every year and the Mother's Day brunch. And I want to thanks GOD for allow us to spend time with one of his ANGEL he on earth. May GOD give peace to his family. And just know that HEAVEN will be lite up this Christmas.*

*Our deep & heartfelt sympathy to you Mrs. Barbara & Family. We have not ceased to pray since hearing of the illness and subsequent passing of our prized & precious "Boss Man." He was so kind and generous; full of wisdom, which we treasured; was like a Dad to us _____ such a loving & helpful man! How can we ever forget the many, plentiful times we feasted so sumptuously at your home after he'd stay up cooking, and loving it! He can never be replaced! We praise GOD for allowing us the opportunity to know & fellowship & enjoy his presence. May our LORD keep & hold you close during this difficult season, and we are here for you!
Love and continual prayers,
