“ *Sending our love to your family Sandy. We could always feel the special love you and Frank had for each other and your family through your wonderful fb posts. Thank goodness you have your strong faith to guide you through this hard time and on. My foot surgery today is preventing us from being there in person but we will be sending prayers your way.

“ *Sorry that we have lost contact with you and now to learn of the loss of Frank. What wonderful things the Lord has done in and through the Frank Lowenthal expression of Jesus. With fond memories and love, Sharon and David Crosby*

“ We will always cherish the fun times we all had with the Crosby's and your family on Sunday's after church at the Olive Garden on Park Avenue. It was always so much fun. I will never forget the look on David's face when all the waiters came singing to him for his birthday. Which was not that day. Many wonderful times shared with you all and Frank was a wonderful gentle Head of his home. Sweet kind Man and a wonderful Husband always looking after his Sandy. Most awesome Father too.

“ I remember Frank from Evans High School ...He graduated in 1960... I was in the class of 1961... Sandy and I have become friends through FB and I have enjoyed watching her precious family with all her pictures and posts....I never saw a picture of Frank that he didn't have that sweet smile on his face.....You just knew he loved Sandy and his family...This husband, father & grandfather will be so missed by this family.....as well as all his many friends... What a servant's heart this couple has had through out their years together...I am sure Sandy will continue the work she and Frank did together...We keep Sandy and her family in our thoughts and prayers as she journeys on in this life without her sweet husband.....but....so thankful that one day they will have a most joyful reunion in Heaven! “ I have heard so many times about how kind Frank was and usually you think, well you always say something nice when someone passes. But, the absolute truth is, Frank Lowenthal was one of the most kind, gentle, & sweet men, I have ever known. Ray and I are so thankful we became a part of Frank & Sandy's lives back in 2011. I knew both of them at EVANS High School, but really did not know them, until 4 years ago. I never saw Frank with out smile on his face, and as long as Sandy was happy, he was smiling. We were able to spend a number of times together and I am so happy to be able to say, Ray and I knew Frank Lowenthal. We send Sandy, their children, & grandchildren our thoughts and Prayers as they go through the coming days, weeks and months, learning to live without Frank by their side. We will miss this wonderful man. Love, Ray & Gail

“ Our thoughts and prayers are with the Lowenthal family. They were a great Christian witness to those who followed their recent trials.

“ Frank was a kind and gentle man who had a servant's heart. It was an honor to have known him! He was our daughter's father-in-law.

“ Thank you, Frank, for your support all those years ago as we planned a trip to Washington, DC for the Kaley Elementary Patrols. We could never have made that trip without your sacrifices. I am so glad I got to know you, see your heart, and feel your love. Well done faithful servant!
