“ *Franklin you was like an uncle to me, one of my favorite memories is when I was 7 years old when I first came to Orlando around Christmas we went to buy presents and I really wanted a scooter that I saw and you told me to get it that you will buy for me I was so happy that day, but that's just one of the many memories we had together. Is going to take a long time to get use to the fact that your not here but I know that you are in a better place in peace. I love you tío Franklin.*
