“ *My brother I know I was hard on you, but this is exactly why, when I got the phone call I was devastated I couldn't wrap my head around it that you left us so early in life, I wish I could've pushed you forward in life and now you are gone and all I have is the memories of our childhood the good and bad, I miss you brother and it hurts me so much that I wasn't there to hold your hand, I'm so hurt right now*

“ *Our deepest sympathy to Flor Vega, who we love and respect tremendously. We remembered meeting him at the salon. He was so nice and polite and cheerful. He used to help you there and drop by and visit with you, and with us while we were there. He had a good spirit and will not be forgotten. May he Rest In Peace and eternal light shine upon him forever. Un abrazo 🤗 Connie Angel and Robert Quiles*
