“ God's Garden : Mom Gail When God looked around his garden And found an empty place. He then looked down upon the earth, And saw your tired face. He put His arms around you And lifted you to rest. God's garden must be beautiful, He always takes the best. He knew that you were suffering, He knew that you were in pain He knew that you would never Get well on this earth again. He saw the road was getting rough And them hills were hard to climb. So He closed your weary eyes And whispered your Name now you are At Peace. In His Garden you will Stay. Love your Daughter Lee-Lee and family
