My dearest brother you will never be gone to us. You will always be in the stories, memories, and in our hearts. In this life you always loved and yes, there were hard times but you kept smiling. Leave knowing you are deeply loved and missed. We all accept you for who you were. Go rest. You wanted home you are home with God. 🙏 We will keep telling the stories aunty gladys shared today how you used to run and stand at the top of the street to not get licks! Always bring a smile. Your love for skirt head and all of us was unconditional. We will miss your phone calls and visits my dear brother. Love Fabian and mandy 🙏🙏
