“ *Harry,
I'm so sorry about your Mom. I remember her from so long ago and then running into her at the hospital years ago ~ she was always so nice and kind. Joe passed away several years ago ~ makes you realize how precious life is. My Mom is 92 years old today, so I guess we're lucky to have had them this long.
Hope you're well and that this message reaches you.

“ *So very sorry for the loss of your dear one. In times of this nature, all of us need encouragement and comfort, how we appreciate those who lovingly offer it! Comforting implies taking time to listen, understand, and help. I pray that you find that with your ‘family and friends’ as well as the promises of Jesus at Luke 23:43 where he said: “Truly I tell you today, you will be with me in Paradise.” A better place.*
