“ I miss you my friend and always will. I am thankful to have another angel watching over me. I will never forget your first "Hot Flash", we laughed so hard. My prayers are with John and your family. I love you my friend

“ Tina trained me when she and I worked on Independence Blue Cross. She told me that if she trained me, i would learn how to be the best at what I did. She was right about that, too. I became the best because i had the best person to teach me. She was passionate about her job and passionate about people, especially her family and those she cared dearly about. I will miss her. My husband and I offer our condolences to your family.

“ Tina, I will never forget you my friend. You drove me nuts, but that was what I liked about you. You kept everybody on their toes and truly loved life. You smile would bring joy into everyone that would meet you.

You will be greatly missed but never forgotten. We love you!
