“ I remember meeting Gerthie on several occasions. He was a pretty cool guy and I liked him a lot. Im proud that my son shares the name of this great man. I am honored that Gerthie is a part of my son King's bloodline. I'm King Patrick's father. My son's name is King Edward Allen Patrick-Clack IV. I think Gerthie Patrick was a hell of a man and I respected him. I was very sad to learn of Mr. Patrick's passing. Gerthie was a good person and I hope my son grows up to be the type of man Gerthie Patrick was. Good dude. Blessings to the family. May God ease the grief in your hearts. #restInParadise

Brother Patrick will be dearly missed here in Louisville. He had a quiet demeanor that everyone knew, a strong voice, a kind heart. We look forward to seeing him again.
