“ *Mom - you were beautiful inside and out. Everyone always mentions your sweet smile when they talk about you. Even when you could no longer tell us how you felt your smile was always there. I will always love you and will always think of that smile when I am feeling sad. You are at peace now and we will meet again...*

Your loving Daughter Rhonda

“ *THE BROKEN CHAIN*

We only knew for a short time that God was going to call your name.

In life we loved you dearly, in death we do the same.

*Though it broke our hearts to lose you, you did not go alone;
for part of us went with you, the day God called you home.*

*You left us peaceful memories, your love is still our guide;
and though we may not see you, you are always by our side.*

*Our family chain is broken and nothing seems the same,
But as God calls us one by one, The Chain will link again.*
