“ *Glenn Noel was my student since he came to Oak Ridge High in 9th grade until he graduates from 12. Great friend, funny guy. Always happy with his cellphone, headphone, wrestling, and music video (rap and Hispanic music). Always excited to go to breakfast and lunch and make new friends. He was very popular in our school since he was known by the front office personnel, assistant principals, deans, and cafeteria friends.*

We were blessed to have this angel with us for so long and learn to love and care for him.

We will miss you, Glenn Noel!

With love, Mr. Guzman
