“ Glenna and I shared a room, for many years, growing up. We fought, liked, and dreamed together, even telling and keeping secrets. She was always there for me, helping in any way she could, it was just her way. I will miss you always!

“ I remember Glenna well, having lived down the street from her in Farmington, MI. She was always a happy person, and a lot of fun to be around. I remember spending the night in a makeshift 'fort' in the family's garage with her and the Lawrence girls a few times when we were young. My thoughts and prayers are with the family during this difficult time.

“ A wonderful person. Kind and always smiling. Traveling to Florida won't be the same without her there. The world is a poorer place without her presence.

“ Glenna will be greatly missed from me and my family.. Not only was she a friend ,she was like family to me and became a big part of my life.. My kids loved her dearly , it was funny how Glenna always answered to my Lil boy when he called her grandma, she would just smile and her smile was the greatest thing to him ,she had a big heart and always loved to laugh .. I know for sure god gained an angel when Glenna went home to heaven ...she will be missed dearly from us . . . All my condolences to the family ..

“ I will light a candle for Glenna this Sunday in my church since distance prevents me from attending her service to say goodbye. I know her light in this world is gone and she will be missed by many. May she rest in peace and I wish peace to all in the family.
