“Gloria, You were truly a great fun. I'll never forget all the fun we had in class as well as putting together puzzles and laughing as we ate lunch. You were so fortunate to have Jay to take care of you; you are both angels and some day will be together again. I will miss your little crooked smile and want to thank you for letting me share so much with you. Love, Jody.

“ A nuestro amigo Jay hoy desde la distancia lo acompañamos en su pena, Gloria ya se encuentra acompañada de DIOS nuestro señor y sera ella precisamente quien llene de fortaleza y resignación a nuestro amigo, desde Colombia sabemos de su entrega y dedicación con Gloria....., Jay.... esa sera su bendición.

“ Gloria like the mariposas(butterflies) now is free. I admire her strength , her kindness and always showing a good face, knowing she wasn't feeling fine.. So sorry Jay I saw all the love you gave her, It was a pleasure to know her at Beardall lline dancing class.

*I'M FREE*

*Don't grieve for me, for now I'm free  
I'm following the path God has chosen for me.  
I took His hand when I heard him call;  
I turned my back and left it all.*

*I could not stay another day,  
To laugh, to love, to work or play.  
Tasks left undone must stay that way;  
I've now found peace at the end of day.*

*If my parting has left a void,  
Then fill it with remembered joys.  
A friendship shared, a laugh, a kiss;  
Oh yes, these things, I too will miss.  
Be not burdened with times of sorrow  
Look for the sunshine of tomorrow.*

*My life's been full, I savored much;  
Good friends, good times, a loved ones touch.  
Perhaps my time seems all to brief;  
Don't lengthen your pain with undue grief.  
Lift up your heart and peace to thee,  
God wanted me now-He set me free
