“ My fondest memories of Grace, was, like Terrie said, she always loved holding and loving on our extended families' babies. She truly loved them all. We also had many discussions about how proud she was of Sydney and all her accomplishments and future plans, needless to say, she was a very proud grandma. Last but not least, our friendly rivalry and little digs between her New England Patriots v. my Miami Dolphins...Love you Grace, a true friend forever in our hearts!! 💔💔💙

“ My favorite memory of Grace was she loved the babies that would come to the bowling alley on Sunday nights. She would hold them sometimes the whole time we would be there giving them lots of hugs and love. Also, talking about your trips up north and the apple orchards. We will miss you Grace but will always be in our hearts.

Sure going to miss her. but she will be with 24/7 365. I found a waybe ok to talk to and have for 2 days. go to a quite place and close my eyes and we are together.
