“ *When the enemy death strikes your grief can be great. It's never the right time to say goodbye to a loved one. Death too to many seems to be a part of life. It's during times such as these that we can find comfort in the Lord's Prayer in Matthew 6:9, 10 ~ "Our Father in the heavens, let your name be sanctified. Let your kingdom come. Let your will take place, as in heaven, also upon earth". Only God's (Psalms 83:18) Kingdom can bring peace, happiness, perfect health, and everlasting life. “ *Grace (Monin) had always been a symbol of strength, intelligence and like her name .. Grace. As a young child I visited Lee with my sister and found myself captivated by her home. Her skills and crafts reflected throughout. Lol, remember saying to myself "this woman is Amazing!". I visited her home as an adult and even just the summer before last and she was just as amazing as ever. I even dedicated a fb photo album of her, the family, the wonderful collection of dolls and collectables in the home and garden. It was beautiful. I will always remember and love Titi Monin and cherish her memory for the rest of my days. I'm happy to see her smile, strong spirit, love and talent in her loving & blessed family. Now go take over heaven Titi! Love you & God Bless. Shine Bright. Carlos Mercado*

“ I met Grace 6 years ago when we first moved to Florida. I never got to know her as a younger woman, but that never mattered because she was always a young woman at heart; the stories she told, the way she laughed and the way she played poker made it so that I never really thought of her as an older woman. I am truly glad I got to know her, even if it was only for a short while. I'll miss her.

“ My grandmother was the most beautiful person in the world! My favorite times with her was hearing her stories! Her sense of humor is something that can never be matched! Her giving nature had no boundaries. She felt that everyone deserved her love as long as they had respect. I will cherish my memories of her as she raised me for the first 19 years of my life. I had the honor of living with her that long and spending every day with her! We will love and miss you Gram! Xoxo from your number one (her words) - Racine, Josh, Javien, Jace xoxo
