

Gustavo Bermudez

July 7, 1929 - May 11, 2018

Gustavo Bermudez, born in Santa Clara Cuba (1929), died in the afternoon hours of May 11, 2018. He was a devout Christian man of true strength and character who spent a lifetime serving God and his community.

Gus was an admirable and kindhearted man, a devoted husband and a loving father. An avid reader and lifetime learner, he earned his Doctorate in Theology late in life. He had no dedicated profession, though he maintained several jobs whilst prioritizing his church commitments as a Baptist minister. Gustavo led a life of earnest servitude until the very end. As a humble servant of God and to those in need, everyone knew they could count on him for guidance and support. He was an honest and trusted confidant who could be counted on when needed. Gustavo touched and made a difference in the lives of many.

Gustavo Bermudez is survived by his loving wife, Francis Alvarez Bermudez, his son Paul Bermudez, his 3 daughters Noemi Rosier, Ruth Bermudez, and Sarah Perez, and his 2 granddaughters Tabitha Rosier Teeter and Abigail Gomez Perez.
