“ *We are so sorry for your loss...Guy was our neighbor. He was a quiet man who liked to keep to himself. Plants...oh my...how he loved his plants. He was always willing to share his plants with his neighbors and would provide a written out explanation on how to care for them. He knew his neighbors and family looked out for him. May PEACE be with his family during this hard time. God Bless.*

“ You have my deepest sympathy and empathy in you loss. During such a time I was greatly encouraged by a promise I found in the Bible at Revelation 21:3, 4 where a time will come when we will not experience the suffering that come from this type of tragedy. With this thought in mind I invite you to visit www.jw.org, there you will find more information on Gods promise of the resurrection.

my deepest sympathy to family, guy & I were very good friends, I met guy on the Florida Turnpike, where we had worked together. I trained guy how to tow vehicles, & clean up accidents, Guy & I clicked right away, we were both from NJ. & we both enjoyed shooting pool after work, we would always play as partners & clean house! even after canoe creek citgo, we remand friends. I have known him about 81/2 years. Just before I moved to NC. I took guy out to lunch, & that`s when he told me he was sick! we kept in touch with each other when I moved to NC, I had talked to guy a couple of days before he had passed! You will be deeply missed guy! I will always remember the good times we had together! You are now in a better place, & not suffering anymore! God bless! Michael V.

Thank you Michael for your sweet note above and for your friendship with Guy. He was the type of person to let only a very few people in his close inner circle and its heartwarming to know that he met such a caring person while in Florida. God bless you..Bernadette (his sister).
