“ Hey Harry, I miss you man. I had met you when we were both in terrible states. We played Go-Fish when I first was entered into UBC and we often played Scrabble and Jenga. You said I was "crazy" because I took risky moves when removing blocks. Our rooms was right across from each other and we had a tight group.

*Mavis, your dad loved you SOOO much. He talked about you often.*

*I miss you, Superman.*
