“ Bucky I had so much to say to you until I saw that handsome picture of you with that beautiful smile.I am so glad that Mike And I got to see you when we did ,because when you decided you were ready to go, you were ready.It was very sad ,but at least you did not suffer anymore.We were talking about the times we went out on the boat, with you & Marsha, ate Thanksgiving Dinner, and went to the sisters vacations in Orlando. We had some good times when we were younger. Now you will have to play music for Mama and Rosie until we all get there, and be one big family again.You left my sister who loved you more than life, four dogs that felt the same, and a lot of people that love and miss you very much.Lots of Love Mike & Marjo
