“ *Hayden was a a kind, quiet, piecedul soul. I remember when he first came to St. Thomas USVI. He was so quiet. Never said much and was always thinking. He would smile and nod his head to say what's up. He was kind to everyone he met. Now he is at rest in God's arms. No more pain. No more sorrow. Only happy thoughts. I could see him on the basketball court in heaven throwing hops. He is finally at piece. REST IN PIECE Cuz.*
