“ So many memories come to mind when I think of Heather. I can hear Maggie calling her “Heafer”, like it was yesterday. Maggie introduced me to Heather and how much fun we all had, so many laughs. Maggie and Heather had a beautiful friendship and I’m glad I got to witness that. My favorite memories with Heather are those with our kids. I remember going to Evan’s paintball birthday party, how fun it was. So many times, I saw her sitting on the floor, playing with the kids, and how interactive she was with them. Going trick-or-treating and going to sea world, watching her be a mom and a great one was amazing. It’s so funny, how once we were in middle/high school hanging out together and then there we were grown-up making more memories, even more special ones. My heart is so sad, my thoughts and prayers are with Heather’s entire family, especially with Evan and Bella. Unfortunately, I know this pain, losing my mom at a young age and she was the same age Heather was. Evan and Bella I’m always here if you want to talk. Thinking of you both.

“ *Heather was one of my very first friends when I moved to Orlando at 10 years old and would continue to be a good friend until I moved away at 16. Heather will always have a special place in my heart and I will always cherish the memories we made (even if they weren't always legal) I'm truly saddened to hear of this news and my heart goes out to Heathers family and children during this time.*

*The photo I posted is from when we were 15. We went to a 24 hour Rave in Daytona. Definitely was a night I'll never forget. Have fun dancing in the heavens my beautiful friend ☐*
