“ I am so sorry to hear of Hector's passing. We worked together in El Paso, Texas and Hector and I would eat lunch together and share stories of our families. We became very close and we also had a lot of fun working together. When Hector became ill his family flew down and we spent time together and when it was decided that it be best for Hector to get medical treatment back in Florida, I helped pack up his entire apartment and get it shipped home to him. I remember how he loved his little puppy Thunder and talked about him all the time. We would text often and I prayed for Hector daily, and I hope that I was able to lift his spirits on difficult days..

Mr. and Mrs. Vazquez, Melissa, Hemarie and Vivian, please accept my sincere condolences and rest knowing that Hector is at Peace...

Rest in eternal peace my Brother, I will see you again in the Kingdom of Christ...
