“ Aunt Helen Marie was so very sweet to my sister Dana and I. As teens you would always take time to encourage us to be strong women, speak our minds and be whatever we wanted to be. I will miss you so much as you knew the power of laughter no matter how hard life could be, and this is still guiding principle in my life today. I will miss that gorgeous smile, funny stories and kindness. You treated us as more than nieces, but daughters. You will be sorely missed. -Monica
