“ We remember Randy as a kind, soft-spoken cousin who always kept his relatives close to his heart. We in Trinidad cherish the pleasant memories we have of him. We remember how he flew down to Trinidad for the funeral of his cousin, Lennox. We can still see him sitting in the Church with a red shirt. May God be with you, Judy and the family at this time. Love and Blessings from Trinidad. Lots of Love from Harold and Ruth

“ "Poppy" that's who you were to me. I have lots of fond memories of you and I as a child, but it saddens me that as I grew older the time spent and the calls spaced out further and further with time. The last time we spoke you asked when am I coming to visit and I promised I'd come this summer. I am here now but no poppy. Im here with a heavy heart to say farewell. They say cherish your loved ones because tomorrow is not promised. I will forever miss you poppy. Love always...Lauren
