“ I am sure I speak for all the staff at Mid Florida Tech who have had the wonderful years of working with Carmen Ramos, we send love, prayers and healing thoughts to the whole family at this time of loss of their beloved Herminia. I never had the pleasure to meet Herminia but I know how loving she was and certainly a brave woman to have such large family! Please know how much everyone cares and we are all at the ready to help in any way that we can.

“ To my dear friend Carmen and all your family - you have my heartfelt condolences for the loss of your beautiful mother. I have heard about her for so many years, she was part of my life too. I hope you find peace in knowing that she is in God's Hands with your father and brother and that she will stay in your lives always. She certainly was a wonderful mother to have raised such loving and caring children. I carry you all in my heart.

Carmen,

Although I never had the pleasure of meeting your mom, we shared so many stories on our way to work that I felt I knew her. I know she was a special lady and was extremely blessed to have you and your husband to take care of her. Always remember the wonderful moments, the laughter and good times you shared for she will always remain in your hearts. God has accepted a beautiful angel to join him in his beautiful paradise. May she r.i.p. God bless you all.
