

Hilda Evelyn Musto

October 22, 1930 - December 19, 2016

Hilda Evelyn Musto departed this world for her next journey on Monday, December 19, 2016 in Orlando, Florida. She was born on October 22, 1930 in Puerto Rico. She will be remembered for her compassionate care of all in her family and her sometimes crude sense of humor. She had a fighter's spirit and a brave face to match. She was a beautiful woman until the very end. Her memory will be cherished forever by those she left behind: Her daughters Rosanne and Laura; her son-in-laws Gino and Peter; her grandchildren Christina, Anthony, Teresa, Christopher and George; her great-grandchildren Michael and Mason; her niece Melinda; her nephew Martin and her constant companion Boomer. She was adored by her family and everyone she met. She was everyone's Grandma. The loss of her presence will be felt for some time to come. She will be remembered always. We love you Grandma!

“ *To my Mommy:
Dearest Mommy you were my confidante, my Tanto (Lone Ranger reference), my cheerleader, and my comforter always. I will miss you lovely face with your red lips that could be seen for miles. I will miss our coffee times and our shopping sojourns, and when we used to go to the Shrine, so many time experiences we have had over the years together. I will miss you quick wit, and some of your dry humor remarks, your feisty ways. I am so privileged to have had a mother like you. You were always there and that's what I'll miss most. Thank You for being a Friend,*

*Love Always Your daughter:
Rosanne*

“ What an amazing smile, Mrs. Musto no doubt was a shining light in your lives. I'm sure she is justly missed by all whom she encountered. Within your grieving and recovery, please, fall into the hand of God, for his mercy is great. 2 Samuel 24:14

“ To my Family :
Cousin Rosanne,Laura,Christina,Teresa,Anthony. And my brother
Martin Rivera.
This was a great loss. But I know we will all meet again in
heaven.My Aunt Hilda
was a beautiful woman inside and out. She wore that red lipstick
better then Coco Chanel !
She was classy, kind,so funny..And always a smile on her face. Had
a heart of gold!
She was my second mother for me . And will be a guardian Angel to
all us above .
How when you walked with her she wrap her hands around yours.
And always asked how are you my dear? You could talk to her and
tell her anything.Nothing shocked her.
And Believe me she knew a lot about us. Her stories of the past
were wonderful and
extraordinary. Of her and my mother Mildred River,her sister.There
adventures as children in New York. Never heard her complain or
judge anyone . She loved each and
everyone of us in her special way . My heart is full of so much love
for her ! I will truly
miss her. Rest in peace my dear aunt . No more pain ! The lord is
with you . My uncle
John is waiting for a dance. Your sister Millie and you laughing over
coffee & tea.
I will love always & always . I miss you so much already. My sweet
Auntie Hill.
Love your niece ,
Melinda

“ I feel so lucky to have had the chance to know Grandma Hilda. I'm going to miss her bright smile and her sweet hugs. The way she always fussed about not having make up on when I'd come to visit and it was late. How she always wanted us girls to have fun. There's a little comfort in knowing that she's not in pain anymore, but she is deeply missed. My heart is with you all as you grieve the loss of her. ❤️

“ I am so sorry for your loss. My prayers are with you all. I did not get a chance to meet Hilda, but listening to Teresa talk about her, she sounded like an amazing woman. May God bless and comfort you during this most difficult time.

“ *Grandma Hilda was and will always be an amazing woman. She was a spitfire. The countless times she would crack her jokes about something silly. She made everyone she came in contact with feel special. She raised an amazing woman who also raised an amazing daughter. I am so thankful that you are out of pain and at peace. You will always be remembered with that big red lipstick smile, heart warming laugh, and of course a glass of wine. Maria misses you a lot as well. Even though she isn't blood related you looked at her as she was one of your great grandkids and she loves and misses her Gigi dearly. Thank you grandma Hilda for being who you were and are. To her family we love you all dearly. She will be with us forever.*

“ *I missed you the moment I saw the man drive you away to the funeral home:(I keep thinking that you are still coming home and that I can just go in your room and have a chat or give you a hug. I feel like the emptiness in my heart will last forever. My only saving grace is knowing that you are where you wanted to be and you are free of the awful cancer that invaded your body. I'll love you forever and hereafter grandma. Love Teresa<3*

“ God saw you getting tired and a cure was not to be.

So he put his arms around you, and whispered “Come to Me”.

With tearful eyes we watched you, we watched you fade away.

Although we loved you dearly, we could not make you stay.

A golden heart stopped beating, hard working hands now rest.

God broke our hearts to prove to us He only takes the best.

I love you Mommy. Laura and Peter

“ *I miss you already*

It's not even been a day but I miss you already

Why did cancer have to take you so quickly – I miss you already

That beautiful smile with lips always red like a ruby – I miss you already

Your wit and sometimes the crude comments made that had us laughing like crazy – I miss you already

Your strength and courage at times when it was needed – I miss you already

The way you loved spending time with Michael and Mason – I miss you already

Your love of reading – I miss you already

Your way with words in not just one but two languages (English & Spanish) – I miss you already

The times you would share stories of your past – I miss you already

The way you always looked so much younger than your age – I miss you already

How you would protect your loved ones that might have been threatened in some way – I miss you already

Your love of wine with dinner and the interesting comments you then made – I miss you already

The way you looked at your watch when you were tired of waiting –

I miss you already

But mostly the way you loved us all – I miss you already

Grandma, We love you so much and hope you finally are free of sickness and at peace.

*Love always and forever,
Christina, Christopher, Michael and Mason Delk*
