

Hilda Rocha

June 4, 1938 - November 27, 2024

Hilda Rocha Guerra, 86 years old, died on NOVEMBER 27, 2024 in Orlando, Florida. She was born in CUBA in the city of Cárdenas on JUNE 4, 1938, daughter of the Spanish émigré Emilio Rocha Sánchez and the Cuban born Maria Avelina Guerra Rodriguez, from the early age of 15 she became a hairdresser, this being her great work passion which she carried out until 2005. She then immigrated to the United States where she was loved by everyone who met her. Not only that, but she possessed the great power to transmit joy and positivity, her contagious smile and the ability to make jokes and demonstrate her love for life and her unwavering faith in GOD who was her guide and light.

Furthermore, she married HILARIO MANUEL FERNÁNDEZ VEGA on MARCH 22, 1963, the "Galician" as everyone knew him, a marriage that lasted 42 years until his death.

No biological child was born from this marriage, but nevertheless they lovingly took Avelina, the daughter of their brother Israel, as their own, giving her all the love and dedication that parents can give. This daughter gave birth to two granddaughters who adored her, named DAILIN AND EILIN.

She is survived by nephews and nieces, Mercedes Blanca, Tomas Raul, Adonis Rocha, Emilia Rocha

AVELINA ROCHA
