“ After the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we've shared with my dear cousin who have passed, this is what keeps them alive in our hearts and in our minds, and they will continue to live on. I cannot believe you are no longer with us; I have to believe that God has bigger plans for you. We will miss you and you will always remain in our hearts.

Our Condolences Debbie/Andrew/ Natasha.

“ *Death/funeral*

*One moment and one life
Time goes with the blink of an eye
But the Memories stays in our hearts forever
It gives us the comfort when we need it most.
So when your heart aches you think of those memories like if he
was here like an angel by your side.
He's not gone but he is in every wind that blows every rain drops
that falls and every rainbow that shines.*

*May god give us the strength and comfort to accept the passing of
our cousin but to know he is home in paradise and someday we will
see him again.*

*Cousins,
Karen, Rudy, Ryan, Caroline and Uncle joe.*
