

## Holly Jo Bradshaw

October 12, 1967 - May 20, 2013

At 45, Holly is survived by her mother Rita, brother Chris, father Ben, aunt Sherri and her cousin Kathy. She is preceded in death by her grandparents Arlis & Erma McCauley, Carl & Helen Bradshaw, aunt Patti Jo Hanke, cousin Jimmy Hawke and numerous others near and far.

Raised in Wisconsin, she was a die-hard Green Bay Packer and Wisconsin Badger fan. She moved to Florida in 1989 to pursue her interest in the travel industry but instead began a 24 year career in the automobile industry.

She loved animals and was a proud member of the ASPCA. She loved to travel and spend time with her family and friends.

She will be interred in her home state of Wisconsin. Her memorial service will be held in Winter Park, FL on Thurs. May 30 at 6pm in the Garden House at Leu Gardens. In lieu of flowers, please send donations to the ASPCA on her behalf.

*I will truly miss the best roommate and friend a girl could have. I am so glad we got to spend some time together catching up in the big city. I have wonderful memories of us that I will cherish forever. I will always remember your great laugh and your wonderful way you embraced life I will miss you every day*

*My forever friend, I will miss your friendship and the Christmas and Birthday celebrations that you, Toni and I shared each year. We always had a good time and great laughs whenever we were together. Thank you for always being there whenever I need to talk or vent about work and life over the years. You will always be in my heart and missed each day.*

“ *My dear friend you were taken way to early. I feel as though your silence is just my imagination playing tricks on me. I still can hear your voice on the other side of the phone saying" Hey, its Holly"; like I wouldn't have known this squeaky voice on the other side. Any one that ever met you know that you had such a unique quality of showing respect/kindness to individuals and animals. I will miss our visits, talks, vacations, and your sense of humor, great advice, wisdom, and caring abilities. I so enjoyed our times together! Many crazy memories at Sextonville, living/working together in Madison, trips to WI Dells, Camping, Green Bay and Orlando. Your memory will forever be embedded in me. Shine on my friend ...as you always did! Love and miss you! Karen Clark / Appleton, Wisconsin*

*Chris, I was shocked and heart broken to learn of Holly's passing. She was to come and visit me at the end of this month. Please get in touch with me. My dad was stunned too to hear the news and I know he would like to contact your Mom. I am SO SORRY for your loss. You are all in our thoughts.*

*Love,  
Cousin Michelle*

“ *Holly represented all that is good, beautiful and fun. She was taken from us way to soon and I miss her so much. I have known Holly for approximately 8 years, however, I knew of her and how wonderful she was through a mutal friend, Toni-Lee long before I met her. Meeting her was like seeing an old dear friend again. She was the hardest working person I have ever know and her devotion to her job was unmatched. I love you my sweet angel and know I will see you again. Rest in Peace sweetie.*
