June 4, 1976 - October 5, 2025

Holly Lena Otto, 49, passed away in Orlando, Florida on October 5, 2025. She was born in Riverdale, Georgia on June 4, 1976.

Holly lived her life with a beautiful, free-spirit and a heart full of love. She found peace and joy in waterfalls, beaches, sunshine, good food, friends, and family. Of all the roles she filled, none brought her more pride and sincere happiness than being a mother of three amazing boys - Aiden, Kellen, and Colton. She is so proud of them, and they were the center of her world.

She is survived by her loving sons, her family, and a wide circle of friends, who will miss her deeply but carry her spirit in their hearts forever.

“ Holly befriended me when our boys played travel ball together, Cherokee Spartans. She introduced herself to me at the first practice and was so outgoing, so welcoming. We had fun at every game, especially the destination tournament in Destin. I will forever remember her love for her boys - she talked about them constantly! And her love of life - she was always so excited to just be wherever she was, experiencing the moment. She will be greatly missed.

“ Holly was one of my best friends, and I don't have many. She was such a kind hearted soul, and would do anything for you. She was always there when you needed her. She loved to laugh, loved the water, loved her boys dearly, loved baseball, liked the Braves and hated the Dodgers! A truly one of a kind friend.

I've known Holly since she was born! Her mother and I were best friends and our children spent a lot of time together when they were young. I have kept in touch with Holly . She was a sweetheart. I will miss her so much.

“ I've known Holly since she was a baby. In fact I am her godmother. I did not get to see her often because I live in Chicago but when I did visit, I watched her grow into the wonderful, lovely woman she became. My heart is broken for Darlene , David and Holly's children , but I know she is happy with her Mom in heaven. I love you all and ask God's blessings to ease your sorrow.

“ I was blessed to have met Holly because of my brother. I adored her from day one. She's been such a special friend in my life and just in the past few months we grew even closer. She's one of the sweetest, kindest, loyal, and wonderful humans I have met. Holly made my life better. This planet or our lives won't be the same without her. I miss you and love you. She ya on the other side. God Bless.
