Peter words cannot describe the sweet soul you was. I met you 2016 accompanied by my younger sister Shanelle her husband and your now widow Monique. You was that person that made an atmosphere easy, enriched and becoming. Heaven has received another angel. Best believe you are missed, 💔 you cared for my late Mom like she was your own. If no one else asked... only you (inna mass Pete voice) SHANELLE HOW IS SASHA DOING. You would watched my ig videos and was definitely a evident cheerleader. God continue to cover your children and keep them from the palms of every evil man or woman. Monique I pray your strength.

💔💔💔💔4ever missed...
