If these hands could talk what would they say?

If these hands could talk what would they would say?

"I held you softly against my beating heart,  
I cradled your tiny cheeks until you fell asleep"

If these hands could talk what would they say?

"I washed all your diapers and cleaned all our clothes,  
we played puppets and many fingers games"

If these hands could talk what would they say?

"I fed and changed you a million times,  
I bathed you carefully and combed your long hair"

If these hands could talk what would they say?

"I gently covered you during the cold winter nights  
and knitted your warm sweaters way past midnight time"

If these hands could talk what would they say?  
I took your temperature when sick  
and patiently gave you all your medicines"

If these hands could talk what would they say?  
"I helped you to walk and picked you up when you fell  
while gently I cleaned your wounded knees"

If these hands could talk what would they say?  
I dressed you pretty and together  
we made sand castles at the beach"

If these hands could talk what would they say?  
" I taught you how to write cursive  
and draw and color butterflies"

If these hands could talk what would they say?  
"I'm sorry that I spanked you but it was tough love  
and I am sorry... I was not perfect"

If these hands could talk what would they say?  
"Know for sure that you got more pats on your back  
and strong loving hugs many more times"

If these hands could talk what would they say?  
" I held your little hands during your first day of school  
and waved your good bye"

If these hands could talk what would they say?

" I also welcomed you

and promised you that I will always be back"

If these hands could talk what would they say?

" I read you many fairy tales

and rocked you to sleep at night"

If these hands could talk what would they say?

" I cradled you in my arms

and pointed to the stars wishing you a good night"

If these hands could talk what would they say?

"Now that My hands are weak and old

please don't let go"

If these hands could talk what would they say?

" I am afraid of loneliness

I used to be your rock, today please be mine"

“ *Lamento mucho esta enorme perdida y sintiendo el dolor que su familia están pasando, quiero compartir la esperanza de que muy pronto "va haber una resurrección de parte de Dios", como nos dice la Biblia en Hechos 24:15. Ánimo y fortaleza para toda su familia en estos momentos dolorosos.*

“ *You have my deepest sympathy and empathy in you loss. During such a time I was greatly encouraged by a promise I found in the Bible at Revelation 21:3, 4 where a time will come when we will not experience the suffering that come from this type of tragedy. With this thought in mind I invite you to visit [www.jw.org](http://www.jw.org), there you will find more information on Gods promise of the resurrection.*
