

Isabel Iris Carmona

October 10, 1937 - September 11, 2015

Isabel, 77 years old, passed away peacefully the morning of September 11th, 2015. In that moment her spirit went to be with the Lord, for all eternity. She was surrounded and supported by her loving family and caregivers during the last months and days of her life. Isabel was born in Manati, PR on October 10th, 1937. In 1951, she moved to Chicago, IL. After raising her five children, Maria, Miguel, Jose, Samuel, Manuel, in the windy city, she moved to Central Florida for the first time in 1991. She lived a few years in Indiana, and settled back in Florida in 2003, where she lived the remainder of her life.

Isabel is survived by her five children and their spouses: Maria & Tony, Miguel & Diana, Jose & Yvonne, Samuel, and Manuel; thirteen grandchildren: Brenda, Nicole, Shantae, Isabel, Manuel Jr., Erika, Anette, Janette, Sarah, Jose Jr., Christina, Margarita, Sabrina ; and twenty-four great grandchildren. Isabel is also survived by her brother Manuel Angel Figueroa and sister Rosaina Figueroa Tymczyszak. Isabel loved her family, she loved the Lord, and she loved to serve people. She was an iconic woman who showed an enormous amount of strength and perseverance when it came to facing the biggest trials and struggles in her life. She impacted the lives of her children, grandchildren, great-grandchildren, nieces, nephews, and countless extended family members and friends. Although her physical presence has left the world, the impact that she had in each and every one of our lives will forever live on through her legacy: her family and love.

“ It's been 13 days since you left this earth. You are missed beyond words can express. I thank you so much for teaching me all the wonderful things that I learned from you. I'm a strong, ambitious, and loving woman because I learned this all from watching you. I'm sure you knew I was watching, but you had no idea I was learning how to become a woman by watching you. I'll always love you. My grandma. I know you're watching over me and the rest of the family. I can't wait to see you again! Your smile was contagious and I miss your voice. Thank you for leaving us with so much love to pass on to the next generation. Your legacy will not stop here. Missing you.

“ My Grandmother had a huuggee heart. She was loved by so many.. I miss you coming over spontaneously "just because the house was on the way".. I miss your cooking.. I miss your voice.. All your little jokes.. All your love that you always shared with myself and Mia. Your legacy lives on. I know you'll always be there in spirit. Te quiero mucho abuelita. I'll always miss you telling me.. "Ella es Mia, No Tuya" lol it always made me laugh and Mia loved you so much.

I'll have to say my last goodbye to you soon and it will break my heart 😭😞😓💔.. But knowing that you are no longer suffering, and that youre in good hands with the lord comforts me💕. I love you so much My Beautiful Lady.. Rest in Peace.
