

## Isabel Maria Rivera Rosado

November 25, 1943 - May 11, 2025

Isabel Maria Rivera-Rosado was born in San German, Puerto Rico on November 25, 1943, to parents Oscar Rivera and Trinidad Del Carmen Mercado-Rivera.

The family moved to New York 11 years later where she attended public school. After graduating from Grace Dodge High School business program, she worked in New York City, until she married and started a family. She was a devoted mother to Gil and Bernice. Once the children grew, she enrolled herself in computer school and became proficient, then returned to the workforce. She enjoyed a career with the health and hospital corporation until she retired.

Isabel was a classic, elegant lady with a keen fashion sense. She made beauty, elegance and high heels seem both essential and effortless. She enjoyed sewing and putting her unique touch on her creations. Her favorite holiday was Halloween for which she meticulously planned her award-winning costumes. She enjoyed ballroom dancing, exercising, foreign Netflix series; that she said were good for her cognition because it required her to read the subtitles quickly.

Isabel had a great sense of humor and loved to laugh. She loved her family, friends, valued traditions, and sharing them with those close to her. Her pasteles, coquito, arroz con dulce, and flan for a few examples. She was the go-to person for a recipe, problem solving or a special occasion plan.

Isabel enjoyed attending cultural events and the network of friends made. She

celebrated her 80th birthday her way, handpicked every detail with her forever friend, Sarita. She was very grateful to celebrate that milestone. She was a woman of great faith. Her soul was in alignment with the Lord and His promise of preparing a place for her. A place in which we will meet again. She is survived by her adoring children Gil and Bernice, sisters Rosa Leida Alvarez, and Ana Lydia Kourakis.
