“ I didn't know Israel very well. I was at the OCCC in the file box area when he was helping us to move file boxes out of our building to the OCCC's storage facility. He was a hard working young man. Israel had a sweet spirit about him, and he was always willing to help us to get the job done. May God's light shine on him always. May his family feel God's strength and peace during this difficult time.

“ *My heart goes out to Israel's family and especially his little one. Wow...I am so speechless...such a wonderful person. I worked with Israel for one week as he helped me get a room full of boxes down to Records Management and that one week felt like I've known him for years. Family, may God comfort your hearts and allow you to be at peace with your loss. In time you will heal, but the memories you have of Israel will last a lifetime.*

My dear family, may the peace that surpasses all understanding be with you all on this difficult day. My family and I extend our deepest sympathy to your family. I remember Yomar, and the girls, as little kids and now all grown up. This loss is difficult for me too. Yomar was always a gentle caring soul. I can only imagine how you are feeling. Take comfort in knowing that you are covered by the fervent prayer of fellow believers. Remember the words of the apostle in 2 Corinthians 5:8 "We are confident, I say, and would prefer to be away from the body and at home with the Lord." While we grieve, Yomar is rejoicing in the presence of the Almighty, worshiping and praising Him. And in His presence, I am fully convinced, his joy is complete. Dios me los bendiga. Y que el Espiritu Santo los cubra como un manto, llenandolos de paz y fortaleza. Yomar, you live in our hearts and prayers. Gone too soon. Never forgotten, always loved.
