“ I've spent more one on one time with Jack since my mother Rose passed away. I too will miss his jolly wit. But I know he is in a much happier place with the love of his life.

“ Join our family in CELEBRATING our Father's life. Dad was a happy-go-lucky kind a guy! He met his soul mate, Rose Marie Maples and together they blended His, Hers and later Theirs to form the unique "Bronson Clan". He loved the Lord, Rose, his family and any one else who needed a helping hand! Of course we will miss him but I am truly HAPPY to say " Thank you Jesus for taking him HOME to be with you and dance with Rose again "!!

“ My Father was a great man who loved God and his family and friends with all his heart. He will be missed but I know he is in heaven with Mother smiling down on us. I will always remember the kindness and generosity he showed people who needed help. He and Mother truly led a life on mission for God. I love you Dad.

“Dad was always ready for an adventure. He loved Mom and treated all of her kids as if they were his own. He will be missed by all who knew him.
