*Nancy and I am so sorry for your families loss. Although it's difficult to get through the sorrow of loss, may the memories looking back over a life time bring comfort as you heal. I did not know your dad, but you spoke highly of him many many times of the years that we have known each other. I do know one thing for sure; his influence as well as your Mom's played a huge role in who you are, and that has been passed on to your wonderful family. We wish you and the entire Armbruster Clan all the best during this difficult time. Jeff Rose and Nancy Weber*
