“ *I'll miss ya buddy God is so good in getting Susan home so I could meet her at her house and seeing you in Winn Dixie a few weeks after and seeing you still working cooking that bbq. We never know the time or the hour but it has been a honor my friend. You were my family although our link wasn't blood. I'm sad I didn't get the chance to say goodbye and missed your home going. So I will say this see you later.....*

“ *To my childhood friend, James Christopher Evans, my heart is filled with sorrow knowing that you have departed your earthly home. I thank you for all of the fun times we had growing up together. I remember you always stopping by Clark Street to chat, eat, or just say, "Hi." I am so elated that we remained friends until now. May your soul rest in peace.*

Chris, I send my heartfelt condolences to your family.

*Love,

I am so saddened of the lost of a dear family member. I too share your loss. I convey my sincere sorrow. Unexpectedly he slipped away from us. God saw his suffering and now he is resting. We will see him again. Rest my nephew. I saw your tiredness. Forever Close to My Heart.
