James Peralta, son of Penny Jacob and Angel Peralta. James had 8 siblings. He was born in Miami and living in Orlando where he unexpectedly passed away.

James was very intelligent and accomplished. He earned his Associates in Sports Communications and Journalism and his Bachelors in Business Accounting. He had an imagination and ideas that would really make you think! He had a corky personality, always cracking a joke, always smiling, was sweet and kind hearted and had a gentle soul.

James loved sports and his favorite Basketball team was Phoenix Suns and his favorite Football team was the NY Giants. He was intrigued with aerospace dynamics and wanted to be a pilot when he was younger and

always dreamed of flying or owning a charter plane. He enjoyed biology and loved nature. He loved spending time with his daughter Teresa enjoying park days, their video chats, their shared love of Pokemon and basketball, he loved being silly with her and making her laugh and was always working hard to provide a better future for her.

James was so loved and was the baby of the family. His angelic smile will truly be missed. May he rest in peace and his loved ones find peace and hold memories of him close until they meet again.

“ Lol I remember we was at gma's house in your room... me you and tiff. We stayed up literally 24 hours + till the sun came up just telling jokes. I was young, must've been 9 or 10. He told all the good jokes cause of course he was older and knew more lol. He said " yo mama so stupid , she got locked in the grocery store and starved to death" and I got so mad cause I felt like that was a good one and I had no come back lol.. another time we was sitting at the computer seeing who can sound more like Michael jackson, singing " got to be there " lol. Rest in peace James <3. Get your rest.

“ *James you will be missed!!!! I remember when mommy sent us over 2 hours away to pick up a used dresser and you saw one on the road and said "let's just pick this one up and take it to her.
